Community Center Fund Drive Continues

With the new Fountain Hills Community Center nearing completion along La Montana Drive and Avenue of the Fountains, the center's fundraising committee is renewing efforts for contributions to enhance the center.

Under the auspices of the Fountain Hills Civic Association, to date the committee has raised almost \$250,000 in private funds—the halfway mark toward the goal of collecting \$500,000 for furniture, fixtures, and public art.

Donations are being solicited from individuals, clubs, businesses and foundations for the "Brick Program" and the "Vision of Community Program". Contributors to the brick program order inscribed bricks for placement along the center walkways. Community Vision donors contribute a minimum of \$1,000. Their philanthropy will be recognized on "The Hills", a commemorative artwork for the lobby of the new center.

The Hills Artwork

Designed by Michael Fleck, "The Hills" will be made of glass and etched with names of donors. Measuring some six-by-four feet in size, the artwork will be a unique, commemorative focus in the Town's centerpiece building.

Michael Fleck, Chairman of the Fountain Hills Public Art Committee, is the owner of The Write Idea, which is a Fountain Hills graphic and advertising agency. Mr. Fleck is creating the

Dick & Nan Bier and Frank & Grace Jakubs

artwork as a pro-bono project for the Town, and considers "The Hills" a tribute to the people whose dedication made the new center a reality. The mountains around Fountain Hills were his inspiration. "I sought to create an image of nature that surrounds us", said Fleck. "The curves of free flowing lines represent the majestic Four Peaks, Mazatzals, McDowells, and Superstition Mountains", said Fleck.

The glass will be in shades of blue to coordinate with the interior of the Community Center. Mr. Fleck is working with architect Rob Deitz on color, size, and lighting specifications for the piece. A companion work, incorporating a fountain design is under consideration.

Levels of Giving

Four levels of contribution will be honored on "The Hills" artwork. Those donating at least \$100,000 will be engraved on the top level as "Benefactors". The first gift at this level came from the Fountain

Hills Women's Club.

The "Patron" level recognizes those that donate \$50,000 and more. The Fountain Hills Civic Association has given at this level. Those making a \$10,000 contribution, including the Kiwanis Club of Fountain Hills will be honored as a "Sponsor".

The "Friends" level, for those donating \$1,000 and more will comprise the base of the artwork. "Businesses and families are prominent at this level", said John Rosenquist, fundraising committee Chairman.

American Legion Auxiliary #58 member Sandy Conklin, second right, presents a \$200 check to Judy Dragiewicz, right for an inscribed Community Center brick, as fellow auxiliary members Kay Ranta, Joyce Taglia and Judy Knapp, standing from left, and Bonnie Burns, Ruby Rogers and Ester Beauchamp, seated from left look on.

Brick Program

Anyone in town can be recognized at the new center by participating in the "Brick Program". Brick order forms are available at many sites around town, including the Town Hall offices and the Community Center. A separate order form should be used for every brick. For \$50 a donor buys a four-by-eight inch brick that can be engraved with a two line personal inscription. For \$200 donors buy a double brick with four lines of engraving.

The "Brick Program" has received outstanding citizen support. Some 450 bricks had been ordered when this edition of the Fountain Hills Compass went to press.

How You Can Help

"We know that the new center will be the Town hub for club functions and group activities", Rosenquist said. "Everyone coming into the building will see the artwork and read the names of all that gave financial donations to enhance the center. We are striving to have the names of everyone in Town on either the artwork or on a brick".

All donations to the Community Center Contribution Fund, including brick orders, are tax deductible. Donations may be made with cash, check and with MasterCard, Visa, and American Express cards. Checks should be made out to the Community Center Contribution Fund.

Donations can be mailed to the Community Center Fund, Post Office box 18254, Fountain Hills, Arizona 85269 or dropped off at the old Community Center Office at 11445 Saguaro Blvd.

Businesses, foundations, clubs, and individuals not yet contacted about a "Vision Program" contribution are asked to call either Evelyn Breting at 837-9306 or a committee member. In addition to John Rosenquist, members include Gail Appledorn, Judy Dragiewicz, Michael Fleck, Frank Jakubs, Grace Jakubs, Lee Robinson, Peg Tibbetts, and Bill Trask.

Recognizing the Cry for Help

Again, terror has struck at two schools in southern California. First, at Santana High School in Santee, California, when an individual started shooting and killed two fellow classmates. Then most recent shooting was at Granite Hills High School in El Cajon, California where five individuals were wounded and the gunman seriously injured.

In the Santee, California, shooting, numerous attempts were made by the shooter to reach out to someone for help, but his attempts were thought to be only a joke. No parent wants to believe that his or her child or anyone would be capable of committing

such a horrible act, but history has proven this to be fact. Unfortunately, the threat of school violence is a real problem that cannot be ignored.

The National Consortium of Academics and Sports reported that racism and violence are rising significantly in America's high schools. Seventy-five percent of all students surveyed reported seeing or hearing about racially or religiously motivated confrontations on a regular basis.

According to the U.S. Department of Justice, 36% of students nationwide concur that lack of parental supervision at home is the major factor contributing to violence in schools. However, 34% of students state a second factor is the presence of gang or group membership.

Victims of violence in schools cover the spectrum. For example, over 2,000 students and nearly 40 teachers are physically attacked on school grounds every hour of each school day each year, according to the National Education Association. The Department of Justice states that every day in the United States approximately 100,000 youngsters carry guns to school.

For information regarding school violence visit www.usdoj.gov/youthviolence.htm. This site offers information that focuses on family members' concerns who have experienced, witnessed, or have been victimized by school violence and gang activity. The substance abuse sub pages guides individuals to helpful resources, support groups, publications, and organizations. Resources on keeping our schools safe are also provided on this website. You can also contact the National Crime Prevention Council in Washington, D.C. at 202-466-6272.

10 Behavioral Patterns to Watch for in Young Adults

1. Frequent loss of temper.
2. Frequent physical fighting.
3. Significant vandalism or property damage.
4. Use of drugs or alcohol.
5. Risk-taking behavior and/or low self-esteem.
6. Detailed plans to commit acts of violence.
7. Announcing threats or plans for hurting others.
8. Intentionally hurting animals.
9. Carrying a weapon.
10. Disconnected from social groups.

Use of Temporary Signage in Public Rights-of-Way

Temporary signage is generally used for weekend garage sales, real estate open houses, political signs/advertisements, and retail businesses directing customers to their location. Below are some commonly asked questions intended to keep our community uncluttered and beautiful, while still accommodating the needs of residents and business owners. For more information on off-premise sign regulations, please visit our Zoning Ordinance on-line at www.ci.fountain-hills.az.us, Section 6.08(E) or contact us at: Fountain Hills Marshals Department at 480-837-8800, Fountain Hills Community Development Department at 480-837-2003, or Neighborhood Property Owners Association at 480-837-5317.

1. Are signs allowed in the Public Right-of-Way? Yes. Under certain conditions.

2. Where are signs permitted in Public Right-of-Way? The Public Right-of-Way is generally behind a street or curb. Signs shall be placed no less than three (3) feet behind the curb. If no curb is present, the signs must be placed at least 10 feet from the edge of the paved portion of the public right-of-way. No signs may be placed in the center medians of the roadways or on the sidewalks. However, medians separating service roads from the main roadways may have signs placed on them. No signs are allowed on Shea Blvd or within 150 feet of a traffic light.

3. Is there anything required on the sign? All signs must have a directional arrow or address.

4. What materials may be used in temporary signage? Wrought Iron, sheet metal, plastic that is at least 1/8" thick, or wood that is at least 3/8" thick. Boxes may not be used.

5. What are the size requirements? Size may not exceed 4 1/2 square feet. The height may not exceed 3 feet in height, measured from the highest point of the sign to the grade at the base of the sign.

6. When may signs be placed in the Public Right-of-Way? Signs are permitted in the

Public Right-of-Way only between sunrise and sunset. They must be physically removed from the location each evening, not left at the location.

7. What if I want to have a garage sale? Garage sale signs that are consistent with these guidelines are available to you FREE OF CHARGE by contacting the Fountain Hills Marshals Department on a first come first serve basis.

8. Are political signs allowed in the Right-of-Way? Yes. However, political signs must comply with the same regulations, including removal at sunset.

9. Do these guidelines apply to Special Events? Yes. However, additional signage may be approved when the Special Event permit is obtained from the Town of Fountain Hills.

10. Are these the only regulations pertaining to signage in Fountain Hills?

No. the Neighborhood Property Owners Association has additional rules, as do most individual property owners associations for many neighborhoods throughout Fountain Hills. The Town of Fountain Hills also has additional regulations pertaining to signs in other locations. Please refer to Chapter 6 of the Zoning Ordinance of the Town of Fountain Hills and your Declaration of Reservations for your particular neighborhood.

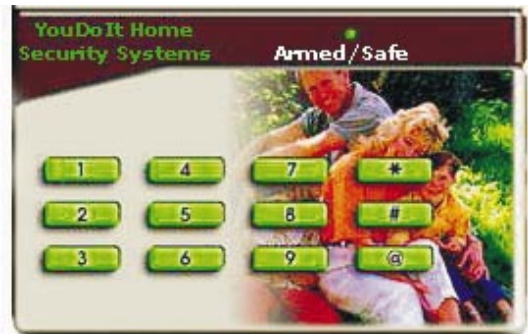

Home Alarms

Do you have an alarm installed in your home or are you considering one? The Fountain Hills Marshals Department wants you to know that the Town regulates alarm companies and recommends that you deal only with those which are licensed and certified in Fountain Hills. Consider the fact that alarm company installers will be entering your home and that alarm companies will have access to your codes when making a choice of alarm companies.

The Town runs a criminal history check on all alarm company officers and installation personnel, as well as verifies the company certifications before granting them a permit.

For your own protection, insist on seeing the Fountain Hills alarm license before contracting with an alarm company. If you would like to verify that a company is license and certified, contact the Fountain Hills Marshals Department at 837-8800 anytime day or night.

McDowell Mountain Photo Contest

The McDowell Mountain Preservation Commission received 13 excellent photographs of the Sonoran Desert and mountains around Fountain Hills. February's winner is Randy Bonner who captured a wonderful view of Pyramid Peak in the McDowell Mountains.

Many of us have been hiking in the desert the past two or three weeks and have been astounded by the profuse display of wildflowers. We have seen lupine, poppies, chuparosa, owl clover, desert mallow, desert honeysuckle, and many wildflowers smaller than a dime. In the next two months, we encourage contestants to submit in the next two months photographs that capture the flora of the desert and mountains. Following the wildflower season we will be looking for photographs depicting the cacti in flower.

Please submit your photo (unmounted) to Karen Holloway, c/o MMPC, Town of Fountain Hills, 16836 East Palisades Blvd., Building A, Fountain Hills, AZ 85268. Deadline for the contest is the 15th of each month. Only one photograph per individual may be submitted each month. The photograph must be an original and taken by the person submitting it. Minimum size is 4" x 6" and the maximum size is 8" x 10". Please write the name, address, phone number, and age (if under 18) on the back of the photograph.

Photographs will not be returned and the commission may request to use them in future publications. Members of the MMPC are not eligible to participate.

High risk Profile for Drowning Victims

- ✗ 60% are children age's six months to four years old.
- ✗ 75% drown in their own swimming pools.
- ✗ 85% drown at the victim's or friend's home.
- ✗ In 77% of child drownings, the child was out of sight for five minutes or less.
- ✗ Most kids are found in their own pool with their clothes on.
- ✗ Over 90% of families that lose a child end in divorce

KIDS AREN'T DROWN PROOF!

It's the time of year when some of us will start enjoying our back yard and community swimming pools. When we do, the number one thing to remember is water safety.

In Maricopa County last year there were 61 deaths, including 28 children that lost their lives in swimming pools.

1. Never leave a child unattended in the water or pool area for any reason.
2. Don't have a false sense of security because your pool and home are secure.
3. Always watch your children even if you have a pool fence or secured pool area.
4. Don't place any objects near pool fences, children can use these to climb over.
5. Always keep your eyes on the child or children. Designate a child watcher.
6. Talk with babysitters about pool safety, supervision, and drowning prevention.
7. Don't rely on swimming lessons or "floaties" to protect your children in water.
8. Don't assume that a drowning incident couldn't happen to your family.
9. Encourage neighbors to follow pool safety guidelines, including keeping their back gates and doors locked, and their pool gates securely closed and latched.
10. Lock all exterior windows, doors and sliding doors at all times.
11. Lock doggie doors as well. Small children can easily fit in the small openings.
12. Don't allow children to play in the pool area.
13. Keep lifesaving equipment like a pole, life preserver, and rope in the pool area.
14. Empty wading pools when not in use. Empty standing water in all containers and spa covers. A child can drown in as little as two inches of water.
15. Learn CPR. For more information on CPR classes please call the Fountain Hills Fire Department at 480-837-9820.

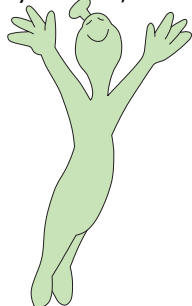

The Parks and Recreation Department would like to welcome the whole family to Golden Eagle Park to see the Easter Bunny! On Saturday, April 7, at 9:00 a.m., the Easter Bunny will be master of ceremonies for the 8th annual Eggstravaganza!
